To whom it may concern;

The following are biblical Jewish Holidays. People of the Jewish faith are prohibited from working, riding in cars, writing, etc. on Saturdays and on these Holidays.

The correspondence to the civil calendar varies from year to year; these are dates for the remainder of 2019:

Rosh Hashanah: September 30-October 1

Yom Kippur: October 9

Sukkot: October 14-15

Shemini Atzeret/Simchat Torah: October 21-22

Jewish Holidays, as well as the Sabbath, begin at sundown the preceding evening.

All courtesies extended to Jewish students and employees would be greatly appreciated.

Please feel free to contact me if need be.

Sincerely,
